

Canada–Singapore AI + Quantum Mission

Program | May 18–22, 2026 | Singapore

About the Mission

As secretariat for the APEC Business Advisory Council (ABAC) Canada, the Asia Pacific Foundation of Canada is partnering with SGTech to lead a delegation of senior industry leaders, researchers, and officials to Singapore May 18-22, 2026, to advance bilateral collaboration in AI and quantum technologies. Anchored around Asia Tech x Singapore, the Mission will convene senior leaders from both countries' AI and quantum innovation ecosystems.

Developed in collaboration with ABAC Canada, senior industry leaders, the High Commission of Canada in Singapore, and Export Development

Canada, the Mission represents an early engagement under the AI+Q initiative and a focused platform to advance Canada's priorities with trusted partners.

Programming for the Mission includes an AI & Quantum Networking Reception at APF Canada's Asia Regional Office (ARO) in Singapore (May 19), an invitation-only Canada–Singapore AI+Quantum Roundtable (ARO; May 19), and targeted bilateral meetings, connecting Canadian companies with key Singaporean government stakeholders and leading enterprises across cybersecurity, defence, maritime logistics, and health and life sciences.

About APF Canada

The [Asia Pacific Foundation of Canada](#) is an independent, not-for-profit organization focused on Canada's relations with Asia. Our mission is to be Canada's catalyst for engagement with Asia and Asia's bridge to Canada.

APF Canada is dedicated to strengthening ties between Canada and Asia through its research, education, and convening activities, such as our Indo-Pacific Initiative programming, the Canada-in-Asia Conference series, our Women's Business Missions to Asia, and the APEC-Canada Growing Business Partnership project fostering sustainable inclusive growth and poverty reduction. APF Canada also works with business, government, and academic stakeholders to provide Asia Competency training for Canadian organizations and students.

Our research provides high-quality, relevant, and timely information, insights, and perspectives on Canada-Asia relations for Canadians and stakeholders across the Asia Pacific. Our research work also includes regular Insights, Dispatches, Reports & Policy Briefs, Strategic Reflections, Case Studies, Explainers, and a weekly Asia Watch tracking the latest news on Asia that matters to Canada.

About SGTech

[SGTech](#) is the leading trade association for Singapore's tech industry. Representing over 1,400 member companies ranging from top multinational corporations, large local enterprises, vibrant small and medium-sized enterprises, and innovative startups, it is the largest community in Singapore where companies converge to advocate for change and drive what enables tech innovation and accelerates tech adoption to spur greater sustainability in the sector.

SGTech's mission is to catalyze a thriving ecosystem that powers Singapore as a global tech powerhouse.
