beginners as well as those
with previous experience
looking to expand their oral
and written skills.**

THE UBC HIMALAYA PROGRAM

The UBC Himalaya program offers short Intensive Summer Language Programs in the Nepali and Tibetan languages. These are one credit courses in UBC's Faculty of Arts. They will be scheduled in late April/early May in one or two week sessions with approximately 13 instructional hours.

METHOD OF INSTRUCTION

Taught by native speakers who serve as language partners, the courses are small, highly interactive, classroom-based intensive sessions. Students will also have the opportunity to engage with Nepali and Tibetan speakers in the Lower Mainland for a rich cultural experience!

These courses are open to all. If you are not a currently registered UBC student, faculty or staff member, you will need to apply as an Access or Unclassified student by 15 March 2016.
