About the Speakers:

9:00 am-9:30 am PT

Canada's Minister of International Trade **Edward Fast** Speech – Park Ballroom A-B (Lobby Level)
Media Scrum with **Minister Edward Fast** and **Minister of State for Seniors Alice Wong** - Chartwell Room (Lobby Level)

EDWARD FAST, Minister of International Trade and Minister for the Asia-Pacific Gateway (Canada)

Ed Fast was first elected to the House of Commons in 2006 and re-elected in 2008 and 2011. He had previously served for two terms as an Abbotsford school trustee and for three terms as a member of Abbotsford City Council. On May 18, 2011, Prime Minister Stephen Harper appointed Ed Fast to his cabinet to serve as Minister of International Trade and Minister for the Asia-Pacific Gateway. Minister Fast assumed responsibility for the Government of Canada's Global Commerce Strategy, which aims to create a more competitive Canadian economy by deepening Canada's trade and investment ties in large, dynamic and fast-growing economies around the world. His top trade priorities include oversight of negotiations on free trade agreements with the European Union, India and Japan. Minister Fast is also the lead minister for the Asia-Pacific Gateway and Corridor Initiative. Prior to his appointment to Cabinet, Minister Fast served on a number of parliamentary committees and chaired the Standing Committee on Justice and Human Rights. In 2011, he was appointed Queen's Counsel for British Columbia and more recently was awarded the Queen's Diamond Jubilee Medal for service to his community and country.

SUBJECT TO CHANGE

ALICE WONG, Minister for Seniors; Member of Parliament for Richmond, British Columbia (Canada)

Alice Wong is the Member of Parliament for Richmond, British Columbia, and Minister of State for Seniors. Before being elected to Parliament, Alice Wong taught English as a Second Language and Entrepreneurship at Vancouver Community College. She started the Centre for Small Business at Vancouver Community College. Prior to her election to parliament, Alice Wong served on many boards including: the Rosewood Manor in Richmond, Rotary Club of Richmond, Benevolent Relief Seniors Care Society, Ethno Business Council, Chiu Chow Benevolent Association, and the Women's Enterprise Society of BC. On October 14, 2008, Alice Wong was first elected to the House of Commons in Richmond, to serve the public as a Member of Parliament for Richmond. On November 7, 2008 she was appointed as the Parliamentary Secretary for Multiculturalism. On May 2, 2011, Alice Wong was re-elected to the House of Commons and on May 18, 2011, she was appointed to the Privy Council and as a member of cabinet as the Minister of State (Seniors). In her role as Minister of State for Seniors, Minister Wong serves as an advocate for seniors issues at the Cabinet table.

**10:30-11:00am PT
LNG AND THE ASIA PREMIUM**

Moderated by: CLAUDIA CATTENEO, The National Post

Claudia Catteneo is the Western Business Columnist at the National Post, where she covers business and policy issues shaping enterprise across the West. Claudia previously served as the Financial Post's Calgary Bureau Chief, specializing in energy coverage, and has worked at the Calgary Herald, the Montreal Gazette and the Toronto Star. Born and raised in the Valle d'Aosta region of northern Italy, Claudia has an undergraduate degree in journalism from Ryerson Polytechnic University in Toronto, a Master of Science (Political Science) from the Université de Montréal and has taken the Canadian Securities Course. Claudia is a director of Calgary Opera and of Hospice Calgary. She is also a member of the International Women's Forum.

About the Pacific Energy Summit:

Building Economic and Environmental Security through Innovative Energy Solutions

The Pacific Energy Summit aims to foster economic and energy security in the Asia-Pacific by developing practical solutions to the twin challenges of rising energy demand and global climate change. The Summit convenes policymakers, industry leaders, and experts to articulate regional energy needs and to explore market and policy solutions for deepening North America-Asia energy ties and environmental cooperation.

2013 Summit discussion topics include:

- The Golden Age of Gas: How far can it take us?
- Finding the Right Price: LNG Markets and the Asian Premium
- The North American Policy Environment and the Impact on Asia
- Infrastructure: Building the Energy Framework of the Future
